Faramdeen of Imamana Mahdi Mau'ood Alaihis Salaam

- Wherever you go, be in the remembrance of Allah.
- One who practices (teachings of Mahdi^{AS}) is acceptable (*maqbool*), one who doesn't is rejected (*mardood*).
- On the day of judgement, Allah does not ask who's son you are but will ask you about your deeds (*amal*).
- An illiterate (*ummi*) of this servant will triumph over the learned from among our opponents.
- Those who are ours, will die seeing and showing the Vision of Allah.
- Understand that the person, who thinks he too is something, is nothing. The person, who thinks he is nothing, may have some love for Allah in him (or in his heart).
- The *nur* (luminosity) of *iman* (faith) is sufficient to understand the meaning of Quran, when it is being explained.
