### **Farameen of Imamana Mahdi Mau'ood Alaihis Salaam**

- Wherever you go, be in the remembrance of Allah.
- One who practices (teachings of Mahdi<sup>AS</sup>) is acceptable (*maqbool*), one who doesn't is rejected (*mardood*).
- On the day of judgement, Allah does not ask whose son you are but will ask you about your deeds (*amal*).
- An illiterate (*ummi*) of this servant will triumph over the learned of our opponents.
- Those who are ours, will die seeing and showing the Vision of Allah.
- Understand that the person, who thinks he is something, is nothing. The person, who thinks he is nothing, may have some love for Allah in him (or in his heart).
- The *nur* (luminosity) of *iman* (faith) is sufficient to understand the meaning of Quran, when it is being explained.
